Project Management Academy

Project management involves the practice of initiating, planning, executing, controlling and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. This skill is essential as you manage various projects. The session is designed to empower participants with understanding of Project Management lifecycle, knowledge areas and essentials required to deliver projects on time, budget and according to scope. It should also equip participants with project management skills that help manage projects effectively and efficiently. Our approach combines a blend of quality theoretical and practice-based learning.

Training Title	Date	Duration (Days/Month)	Time	Fee
Project Management Essentials	February 2024	2 days	9am - 3pm	250,000
Project Management Essentials	May 2024	2 days	9am - 3pm	250,000
Project Management Essentials	August 2024	2 days	9am - 3pm	250,000
Project Management Essentials	November 2024	2 days	9am - 3pm	250,000
